Once you have decided on the course you wish to play at, you will need to book directly with the club. Get the golf course on board, let them know you are taking on the challenge and see whether they might waive the fee to play or even better consider donating the fee to your fundraising page.

Yes, of course you can. It is up to you how hard you make your challenge, but it might slow down your progress; daylight is key here so as long as you've still got plenty, you're good to go.
